Programme 2018

Welcome to Loreto Centre where we offer an ideal location for peace, rest and prayer. The Centre is run by the IBVM/Loreto Sisters, who follow the spirituality of St Ignatius of Loyola. The Spiritual Exercises are central to our life, and we aim to reflect this in our Centre programme. This flyer provides a summary of our programme for 2018. Please contact us, or see our website for more information.

A RETREAT with MARY WARD

Friday 20 - Sunday 22 April

'Divine Love is like a fire which will not let itself be shut up...'

A weekend for Friends of Mary Ward, and those who would like to discover more about this 16th Century English woman. Mary Ward pioneered a new way of living religious life for women, in the tradition of the Jesuits. Her followers dedicate their lives to active service, on mission with Christ in the world. Today, her family include both religious and lay people who are inspired by her vision. As we look at her life, we will reflect prayerfully on our own lives and ministries. There will be time to share and to socialise with one another, and also plenty of quiet time for personal reflection.
